CAR

HYMER CAR ...

Masses of space.
The overhead storage cupboards are easy to reach even when the slatted frame is raised.

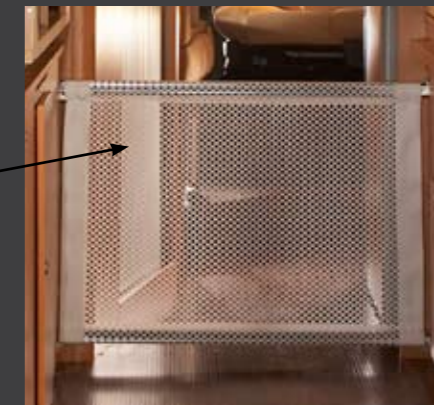

Sturdy lashing eyelets
secure up to two
bicycles, for example,
and keep various leisure
equipment safely in
place while travelling.

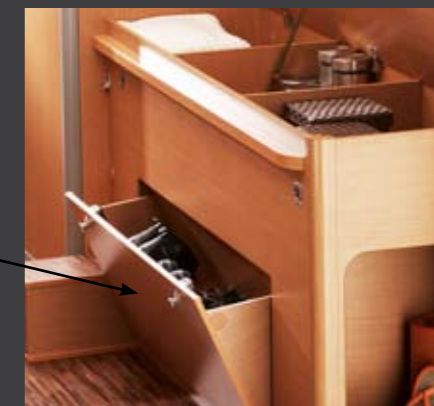

... incredibly versatile.

Highly versatile space
in the passage between
the two bed boxes with
strong luggage net to
transport bags, bicycles
and other sports
equipment safely and
conveniently.

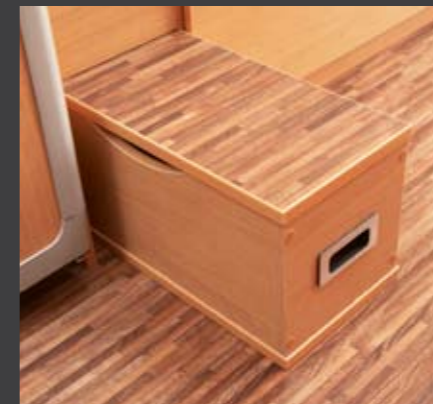

The bed box provides
masses of space with
three storage
compartments, each
accessible separately
from the top, a fold-out
shoe cupboard and a
side stowage space.

Magnificent bed and practical details

Who offers more?

A positively magnificent rear bed in this category: the comfortable, thickly padded upholstery has a width of 1.50 m.

A luxurious feeling of sumptuousness: the soft-touch wall coverings. A practical feature is the additional wall socket in the sleeping area.

A pull-out step integrated in the bed box makes it easier to get into bed. The step also provides stowage space for small odds and ends.

Continuously adjustable heater regulation for the space-saving 6 kW underfloor diesel heater.

Easy access to the gas bottle locker when the rear door is open.

CAR

Innovative seating group

Comfortable, chic and relaxing - that's the seating group with its variable table.

Each centimetre is used to the full: a sliding/folding opening in the floor provides stowage space for various items.

The stowage space in the bench seat is accessible from the top with the bench seat raised as well as through a side door.

Above the driver and front passenger seats is a generous storage space across the entire width of the vehicle.

CAR

Space optimisation

Plenty of space in compact dimensions. Three to four people sit comfortably round the table. An additional storage surface makes optimum use of the front passenger seat. Wide, generous passage in the vehicle rear.

The general image of harmony is rounded off by elegant, sporty furniture in Madeira nutwood finish with silver-coloured trim on the edges of the table and counter surfaces and on the overhead storage cupboards.

Access to the bathroom is through a sliding door that takes up no space at all when opening. The sitting height is optimised by an ergonomic Thetford toilet. The high-quality, chrome-look fittings on the washbasin and shower include a single-lever mixer tap with ceramic seals.

CAR

Top functionality in the kitchen

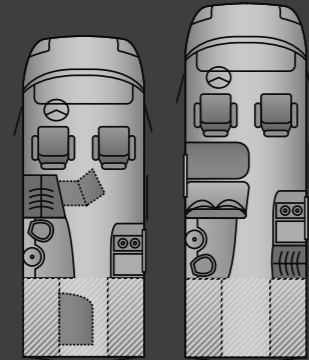

Luxury kitchen with everything you can ever dream of: stainless steel sink and two-hob cooker, four drawers with sturdy pullout units, a door in the kitchen undercupboard and overhead storage cupboards offer plenty of extra space for kitchen appliances.

An optional 97 ltr fridge is integrated in the bottom part of the room-high side cupboard.

Above it is an illuminated wardrobe. On the left of the kitchen there is a variable stowage space – ideal as a sideboard.

CAR

Note:

This brochure describes the series status at the time of publication. Despite careful checking of the contents, printing errors are not excluded.

Some vehicles include optional extras which are quoted in the current price list and available at extra cost. The decoration shown is not supplied by HYMER. The details of scope of delivery, appearance, performance, dimensions and weights of the vehicles – deviations within the factory tolerance limits (+/- 5% max.) are possible and permissible – are valid at the time of going to press. They conform with the European provisions governing homologation; they may change up to the point of vehicle purchase or delivery. During the course of the model year, we retain the right to make changes in equipment or product improvements. Before signing a contract of sale, please ask our authorised HYMER dealer for our current products and series status.
